**TITLE: Restoring the Original Paradigm for Infant Care (part 2 / 4)**

**FACULTY:** Nils Bergman, MB,ChB, DCH, MPH, MD

**C4**

(USA equivalent MD. DCH. MPH. PhD.)

1. Paradigm and basic assumptions
  - A. Definitions
  - B. Determinants
  - C. Research assumptions (1)
2. Origins of current care paradigm
  - A. Invention of incubator
  - B. Current state of the art
  - C. Evidence based medicine
3. Origins of an alternative paradigm
  - A. Bogota: KMC (2-4)
  - B. Manama: birth KMC (5;6)
  - C. Cape Town: RCT (7)
  - D. Implications of findings (8;9)
4. Restoring the Original paradigm
  - A. Review current assumptions (10)
  - B. Primary Health Care insights (11;12)
  - C. Desirable outcomes (13)
  - D. Brain based paradigm
